

AACE International Delaware Valley Section  
**PRESIDENT'S MESSAGE**

Jeffrey E. Sueck, CPE, CCC, CEP, PSP, AVS, MRICS  
Section President

Delaware Valley Section Members,

I hope everyone had a great summer and are ready for 2010-2011 year with our AACEI Delaware Valley Section. We have made numerous changes over the summer months to better serve our members. You should have received or receiving shortly our survey that went out to all of our members which consisted of series of questions to help us better evaluate our section and make appropriate changes. I would like to take this time thank all of our members in advance for participating and completing this survey. I would like to point out and discuss some of the biggest changes that have made during the these months; they are a new interactive website which has our monthly meeting bulletins, monthly meeting newsletters, section officers, Presidents message, job postings, events, etc., we are currently in the process of changing our menu to offer a variety dinner selections, meet dietary needs and offer one drink ticket to be included with the cost of the dinner. We will be involved in company sponsored events, job-site visits, golf outings, wine/beer tastings, local sporting events, happy hours, habitat for humanity build days, community clean-up days and exam study sessions to name just a few. We would like to continue to improve current member participation and meeting attendance. We are going to continue to work on attracting and increase the current membership as well as retain are our current members. As we plan our 2010 -2011 year we will be having new and exciting topics at our chapter monthly meeting, we will be discussing if anyone's company is interested in becoming a sponsor for future events, update on what we have planned for our Education & Scholarship Committee with local area schools, working on updating our section website to be more interactive.

Respectfully,

Jeffrey E. Sueck, *CPE, CCC, CEP, PSP, AVS, MRICS*
